Skills

Experience driving vans for set equipment and expendables. I've helped coordinate COVID testing events by setting up testing events on locations, setting up satellite testing events away from basecamp and on set, calling BG from skins, contacting crew, scheduling tests, and tracking down crew members to get them tested in a timely manner. Proficiency in Microsoft Word, Excel, Adobe Lightroom, and Photoshop. I also have experience in shooting 35mm film photography in B&W and color. I have darkroom experience with B&W photography.

I own a reliable car and my license number is: 010686692
